The 10% Buyer's Fee will be added to all invoices over and above the amount of the winning bid or bids and will be imposed on all successful bidders. The sale is strictly for cash and all winning bids must be paid promptly and in no event shall lots be delivered without receipt of payment in full. Successful mail bidders shall pay their invoices within five days of receipt of same. Late payment shall negate any return privilege. Checks may be accepted with identification and credit references satisfactory to *Currency Auctions of America, Inc.* On past due accounts *Currency Auctions of America, Inc.* shall be entitled to impose late fees and interest at the highest rate permitted by law. Buyer agrees to pay reasonable attorney fees and such other costs as may be required to collect on past due accounts. All lots delivered in Texas or Missouri are subject to sales tax. Buyer agrees to pay any and all sales and/or use or other taxes that may now or later be found or determined to be due or payable, including any penalties or interest found to be due by virtue or arising out of the sale. Buyer further agrees to indemnify and hold *Currency Auctions of America, Inc.* harmless for any such sales, use or other taxes due or later determined to be due, including interest and penalties, arising out of the sale. Buyer agrees to pay all applicable costs of shipping, insurance and handling.

2. Buyers who claim exemption from the imposition of sales or use taxes must submit properly executed exemption certificates. Lots delivered in Texas or Missouri will be subject to sales or use taxes unless such documentation of entitlement to exemption is furnished to *Currency Auctions of America, Inc.*

3. By bidding in the sale, whether as an individual, agent for another party, or on behalf of a corporation or as an employee, all bidders agree to be personally liable for the full amount of their bids, the Buyer's Fee and all taxes and delivery charges.

4. Bids will not be accepted from minors. All bidders certify and represent that they are of legal age to contract and that they are authorized to enter all bids, individually and in total, that they make.

5. Floor bidders and mail bidders who have not previously established credit with *Currency Auctions of America, Inc.* must do so prior to being permitted to bid. 6. Lots shall be awarded to the highest bidder as determined by the auctioneer, who shall make the final decision in the event of a dispute between bidders.

7. Mail bidders are urged to mail their bid sheets early. All mail bids must be in our hands no later than Wednesday, November 7.

8. The auctioneer shall have the right to refuse to accept bids which in his judgment are not made in good faith. The auctioneer shall have the right to open lots at amounts determined by him and to establish bidding increments. The auctioneer may place bids on behalf of mail bidders, the seller or others. *Currency Auctions of America, Inc.* or its officers may bid for their own account.

9. The auction is not an approval sale. Bidders are encouraged to examine all lots prior to bidding. No lot purchased by a floor bidder, or by a mail bidder who has examined the lot, may be returned, including those lots where the bidder is acting as agent for another.

14. Bidder agrees and acknowledges that grades and/or conditions are the opinion of the cataloguer only and not a warranty. Grading is a subjective art and not an objective science. The opinions of different individuals as to the grade of a given lot can and will vary. The opinion of the same individual grading an item at different times can and will vary. Grades are stated as a convenience to bidders only to assist in directing them to lots they may wish to examine. *Currency Auctions of America, Inc.* strongly urges all bidders, including mail bidders, to examine lots prior to bidding, either in person or through their own agent. *Currency Auctions of America, Inc.* does not represent that a note has or has not been cleaned or that any other entity or third party grading service will or will not agree with our grade opinion for any item. Bidders should examine all lots and form their own opinions of the items in the sale prior to bidding. Except as otherwise stated expressly in the TERMS OF SALE, *Currency Auctions of America, Inc.* its agents and employees make no warrantees, guarantees or representations and expressly disclaim any warranties, representations or guarantees, including a warranty of merchantability.

15. In the event of any claim or controversy arising out of the sale, the sole remedy of the bidder or buyer shall be a refund of the original purchase price and buyer's fee. The courts of Travis County, Texas shall have exclusive jurisdiction and venue over any case or controversy arising out of this sale or any transaction associated therewith.

16. By bidding in the sale all bidders acknowledge having read and that they agree to be bound by the TERMS OF SALE and that they further accept the TERMS OF SALE without reservation.

17. Title to all lots remains with the consignor until paid for in full by the bidder. Bidder agrees to keep all lots in his possession safe and fully insured until paid for in full.

## A WORD ABOUT GRADING

Grading is an art and not a science and opinions of grade for a particular item can and will vary. We urge all bidders to examine lots they may wish to bid on prior to the sale, either in person or through their own agent. Grades stated are the opinion of the cataloguer given as a convenience to bidders to assist in identifying lots they may wish to examine themselves.

## A WORD ABOUT ESTIMATES

The estimates in this catalogue are guides to the bidders. We have tried to make them as accurate as possible. They are not intentionally low to allow us to claim bragging privileges as to how much over the estimate we obtained, nor are they high in an attempt to lure the unwary into bidding more than market. While it is a certainty that some items will bring somewhat under estimate, it is equally certain that some items will sell for over estimate. We would expect that the total estimates in this catalog will be within 10%, one way or the other, of the total prices realized.

## SPECIAL THANKS

An undertaking of this size requires the informal assistance of a great number of collector and dealer friends. We wish to thank everyone who called on their specialized area of expertise to assist us where we were lacking.

In particular we would like to thank Mr. Martin Gengerke of Stack's, who allowed us to access his pioneering research in both Large Type and Nationals. His voluminous computer files are helping to transform the currency market from pricing based on hearsay to prices based on objective research. Martin Gengerke has also earned our thanks for his excellent photography throughout the catalog.

Thank you, friends and colleagues,

Allen, Kevin and Len

7 **Connecticut, June 7, 1776, 1s, Gem New.** Superb. Pure white paper, sharp black ink and embossing you could trip over. **Not cancelled.** For the very finest 13 Colony set. The centering is perfect on both sides and the margins are exceptional. We have never seen a better Connecticut Colonial. (400-up)

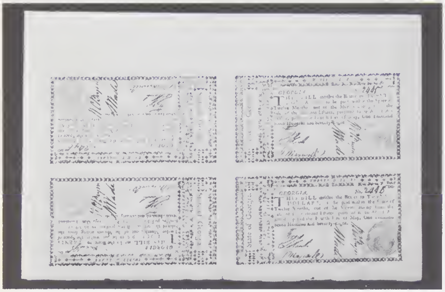
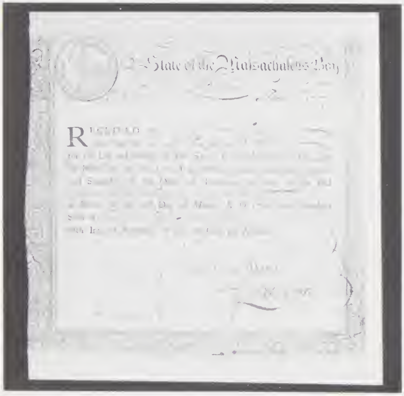
## GEORGIA

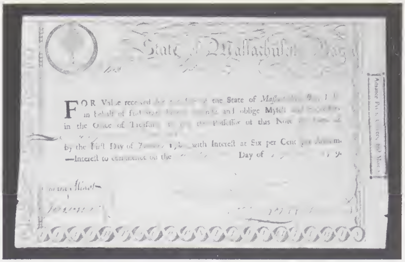


10 **Georgia. May 4, 1778 Sheet of Four.** Multiples of Georgia Colonials are extremely rare with only this item and two others known to us. This is by far the finest in condition. All four subjects are 20 dollar notes with the rattlesnake seal. The sheet itself has been lightly quarter folded. The folds affect only two of the notes leaving two notes **About New** and the other two **Gem New**. Fully signed and numbered, one of the five signers being William Few, a signer of the U.S. Constitution. The Colonial highlight of this sale, this sheet would be a welcome addition to the finest collection of Colonial Currency or Early Americana. (12,000-up)

## MASSACHUSETTS



11 **Massachusetts Fiscal Paper. Dec. 1st, 1777**. Engraved and printed by Paul Revere this 8" square document has the famous "Sword in Hand" Vignette encircled by a rattlesnake. **About New** with no defects. This one also has the embossed seal on it. Super for framing. (300-up)



12 **Massachusetts Fiscal Paper, April 26, 1779.** Engraved and printed by Paul Revere this "Advance Pay to Officers" document from the revolution has his pine tree vignette encircled by a rattlesnake. It grades **Extra Fine** but for a few small holes covered on the back with stamp hinges. The embossed seal is present. Perfect for display. (200-up)

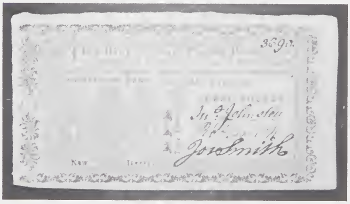
## NEW HAMPSHIRE

13 **New Hampshire, April 29, 1780, $4.** The state that is the key to a 13 Colony set. **Very Good**. Hole cancelled. (100-up)

## NEW JERSEY

14 **New Jersey, £6, 4/10/1759, Fine.** Ths note survives out of an original printing of 1,834 notes 231 years ago. I can't think of another area of numismatics outside of Colonial Currency where this rarity sells at this level. Grab this one. (150-up)

15 **New Jersey, March 25, 1776, 3S, John Hart.** This attractive **Extra Fine** note has the strong clear signature of John Hart, a signer of the Declaration of Independence from this Colony. (125-up)



16 **New Jersey, March 25, 1776, 3£. Gem New.** A glorious tri-color note. These do come this nice now and again, but we have not seen one this nice in over a year. Great centering and margins, wonder color and strong signatures and numbers. (500-up)

This strip has broad margins all the way around allowing all three notes and the strip itself to be called Gems. (900-up)

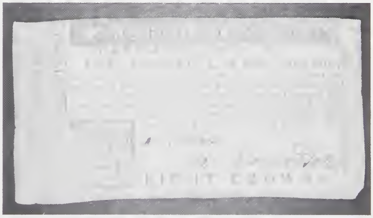
# PENNSYLVANIA



EIGHT CROWNS

20 **Pennsylvania, June 15, 1767, 40s.** Very, very rare, the first note of this issue we have ever seen. It's a nice **Very Fine** from the face, the back was weakly printed and is somewhat indistinct. Unpriced in any grade in Newman it is priced at $1800 in VF in Friedberg (PA-127). I would expect this great rarity to sell for about. . . (1500-up)

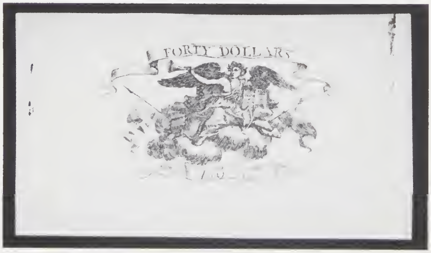
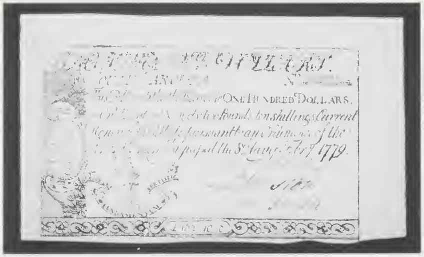
FORTY DOLLARS

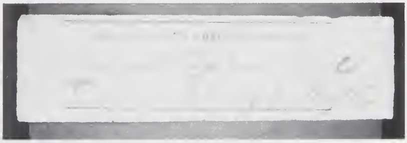


29 **South Carolina, February 8, 1779, $40.** Believe it or not, this note is **Gem New.** If it were not in my hand at this moment, I would not accept its existence in this grade. This is the hardest to find denomination of the series. Huge margins, with the full embossing effect of the plate showing on the bottom and both sides. Dark clear printing and deep clear

brown signatures. This is a piece to acquire and treasure for years to come. Impossible to estimate, I'll guess at . . . (2000-up)



30 **South Carolina, February 8, 1779, $100.** One of the most difficult denominations to find from this extremely attractive and popular issue. I'll call it **Extra Fine**, but it's really a Choice New example with one hard storage fold. The fold is just starting to split at the top and bottom. Three huge and one normal margin. (300-up)



31 **America's Oldest Food Stamp.** Expert consensus places this as a **South Carolina** item, although it could possibly be a neighbor state as Spotts & Harvey had locations in several places in the Deep South. The exact wording is" "Application to Spotts & Harvey for State Rice. I am a housekeeper, and my family consists of __ members." This form is filled in (nine family members) and signed. The months August, September and October are written on the back – apparently as a check-off as this application was presented. The paper and printing style date this to the Colonial or very early Federal period. Those experts who should know what the State Rice Program was do not. However, it's an even money bet that one of those consulted experts will be the new owner of this unique enigmatic item. (500-up)

This wonderful note is worth stretching for. (550-up)

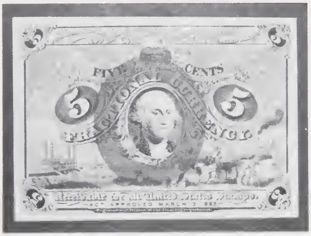
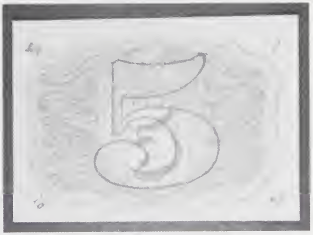
43 **Postage Currency "Wallet."** A cardboard "crisscross" type currency holder, the original ribbons are intact and perfect. On the front is printed "Currency Holder for the Convenience of the U.S. Army" and the back is an 1863 calendar with "Postage Currency" printed above and below. One of the nicest of this general type I've ever see, and to my knowledge it is unique with its "U.S. Army" designation. (400-up)

## SECOND ISSUE

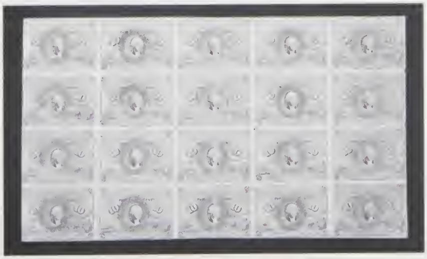
44 **Fr. 1232, 5¢ Second Issue, Complete Sheet of 20.** Folded lightly between some of the notes, this attractive display item contains mostly New notes and gives a very pleasing overall appearance. (750-up)

45 **Fr. 1233, 10¢ Second Issue, New.** A perfect example of what for years was listed as Fr. 1233a, "18" only surcharge. This genuine example of an exquisitely unimportant variety would have sold at over $500 fifteen years ago when these were popular. Still worth at least . . . (150-up)



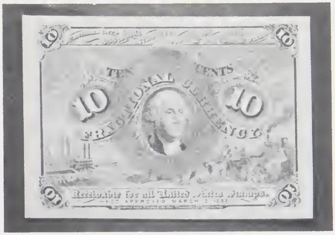


46 **Fr. 1235, 5¢ Second Issue, Fiber Paper.** This **Gem New** example of this rare number is one of the three best known to us. Broad even margins, excellent back centering and a clear "R-1-18-63" surcharge. (600-up)



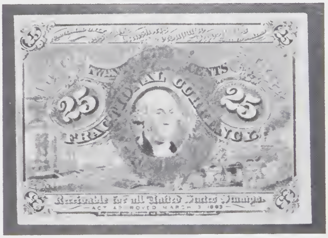
47 **Fr. 1245, 10¢ Second Issue, Complete Sheet of 20.** Although this scarce sheet has a number of folds and a few tiny juncture holes its overall appearance is not unattractive. Lightly aged, this 10¢ sheet is many times rarer than the more often seen 5¢ sheet from the same issue. (500-up)

**REMINDER**
**A 10% buyers' fee will be added to all successful bids.**

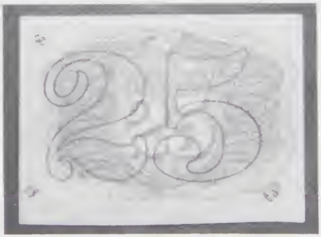


48 **Fr. 1246, 10¢ Second Issue, Gem New.** Boardwalk margins and perfect centering face and back. A common type, but not like this. A **Superb** note for the very finest type set. (200-up)

49 **Fr. 1246, 10¢ Second Issue, Inverted Back Surcharge, Strip of 4.** This **About New** strip is one of very few inverted multiples known. A wonderful opportunity for the Fractional enthusiast. (1000-up)



50 **Fr. 1283, 25¢ Second Issue, "Treas. Dpt."** The note grades **Very Fine** and has the full "Treasury Rectangle" on its face. This is the only example we have seen where the entire box is visible including some margin space beyond the top of the rectangle. This note brings the total known for this variety to eight. (500-up)



51 **Fr. 1286, 25¢ Second Issue, Inverted "S".** Listed as a rarity 8 in Milt Friedberg's Encyclopedia (2R25.3g) this **Extra Fine** note is very well centered and the inverted "S" is sharp and clear. This is the only fractional invert that is the result of an engraving error rather than a printing error (incorrect feeding of a sheet), as other inverts are. Excessively rare, should bring (500-up).

# THIRD ISSUE

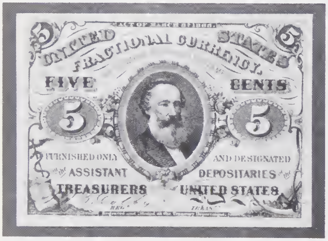
52 **Four New Threes.** Fr. 1226, (3) all **New** and a dark curtain Fr. 1227 also **New**. (4 pieces) (100-up)

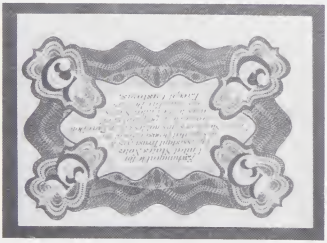
53 **3¢ Collection.** Fr. 1226, **Choice New**. Fr. 1227, dark background, **New** and a strip of three Fr. 1226 **New** but folded between notes. (3 pieces) or is it (5 pieces). (125-up)

54 **Eight 3¢ Notes.** All **New** and all are **Fr. 1226**, seven are problem free and one is pen dated 1865. (200-up)

55 **Fr. 1237, 5¢ Third Issue, Choice New+.** This scarce red back Clark note with the "a" is a gem save for a little ink smearing on the back. (125-up)

56 **Red Back 5¢ Notes. Fr. 1236** and **Fr. 1237.** Both are unusually well centered and both grade **Extra Fine**. (2 pieces) (80-up)

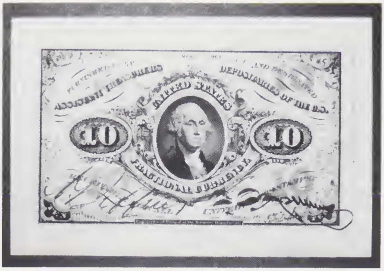




57 **Fr. 1238, 5¢ Third Issue, Invert, Choice New.** The 5¢ Clark is one of the rarest of all Inverted Fractional Notes. It is listed in Milt Friedberg's Encyclopedia (3R5.2F) as R-7 with only 4 pieces known. Two more have surfaced in the last twelve years and the present count is 6. It's a pleasure when a previously unknown piece comes to the market in such nice condition allowing another collector the opportunity to own one. (1000-up)

58 **Set of 5¢ Clark Notes.** A complete set, Fr. 1236, 1237, 1238 and 1239. All four are **New**. (4 pieces) (150-up)

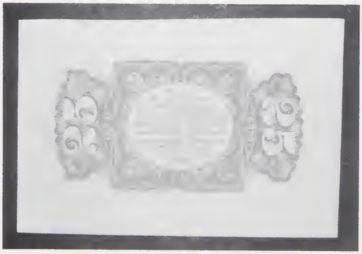
59 **Fr. 1251-SP. Back and Fr. 1255-SP. Back.** Both are **Choice New** wide margin notes. The red back is an odd red-brown color and the green back has an unusual green offset at the top. Both notes are out of the ordinary. (2 pieces) (150-up)



60 **Fr. 1254-SP. Wide Margin, Choice New.** Very rare! One of less than ten known and by far the finest known to us. These Jeffries-Spinner wide margin specimen notes were not included in the issued sets of specimens and most all known pieces have shield size margins touching the design. This beauty has the largest margins of any of the few wide margin pieces we have seen. Printed on C.S.A. paper, this note has fully bright bronze and dark clear signatures. To the Fractional specialist who has never seen one of these, the trip to St. Louis is worth the effort just to view this great rarity. Who knows, you might even go home as the proud new owner. (4500-up)

61 **Red Back 10¢ Notes.** A complete set of red back third issue 10¢ notes, Fr. 1251 **Choice New** but with a pre-print fold, Fr. 1252 **Choice New**, Fr. 1253 **Choice New** and the rare Fr. 1254 **New** with good signatures. This is a tough set to assemble. (4 pieces) (650-up)

62 **Fr. 1255, 10¢ Third Issue, Gem New.** A common note, but not like this. A superb example with blazing bright bronze, wide even margins and perfect centering. Not a hint of an ink smear on either side. (100-up)



63 **Fr. 1291 SP Wide Margin Back.** This **Gem New** fully wide specimen note has a 99% full "CSA" watermark. By far the closest to complete I've ever seen or heard of. Only the very back of the "C" has been touched by the edge of the note. The reason for the "Confederate States of America" watermarks on Federal notes is a story in itself. A Civil War blockade runner, the *"Bermuda,"* bound for Nassau in the Bahamas left Liverpool, England in March 1862 with a cargo of miscellaneous goods badly needed by the Confederacy. She was sighted during the crossing and captured by the Federal ship *"Mercidita"* on April 27, 1862. She was taken to Philadel-

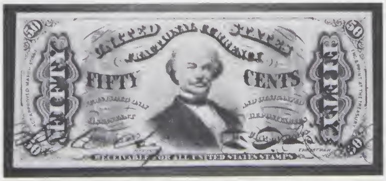
phia, adjudged a legal prize of war and her cargo sold at auction. One of the articles of cargo in her holds was a consignment of bank note paper bound for Keatinge and Ball in Columbia, South Carolina, for use in printing Confederate currency. The sheets measured 13 inches by 17 inches and had the block CSA watermark eight times. The purchaser of this paper at auction was the U.S. Treasury Department, who used it extensively to print Fractional Currency Specimen Notes of the Second and Third issues; many of which show parts of the CSA watermark identical to that on several Confederate Note Issues of 1861-3. It appears the government went out of its way to lay out sheets so the entire three letters would not show. The only other note I've ever seen that was almost this close was also a 25¢ 3rd issue red back with "specimen" inverted. That note had 3/4 of a "C" and full "SA." This great piece of history will sell for (300-up).

64 **Fr. 1297, 25¢ Third Issue, Fiber Paper.** Two pieces of this scarce note, both are well margined and both grade **Choice About New.** (2 pieces) (125-up)

65 **Fr. 1298 25¢ Third Issue - Fiber Paper, Very Choice New.** A near Gem example of this scarce and underrated note. Very bright bronze, pristine paper and excellent margins. The back design is fully clear of the edges, which is most unusual. (225-up)

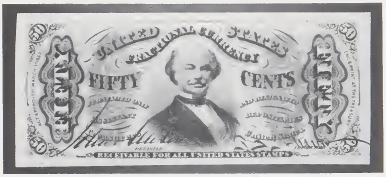
66 **Fr. 1325, 50¢ Third Issue, Spinner, Choice New.** Rare "1" and "a" red back Spinner. Deep original embossing and good color. The bottom face margin is a bit close and the back is touching at the left. A few minor red ink smears at the edges. (300-up)

67 **Fr. 1327, 50¢ Third Issue, Spinner, Red Back, Choice New.** Deep original embossing, a Gem from the face with a few light ink smears on the back. Scarce "a" Red Back. (200-up)

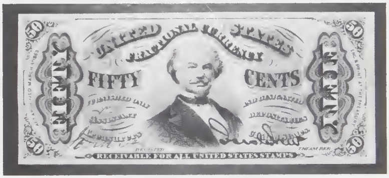


68 **Fr. 1328, 50¢ Third Issue, Spinner, Gem New.** A gorgeous example of this always popular hand-signed, red-back note. The margins are large and even and the signatures bold and clear. The bronze is bright and the back is perfectly centered. (300-up)

69 **Fr. 1328, 50¢ Third Issue, Spinner, Choice New.** Very near Gem, good strong hand signed signatures and bright bronze. (200-up)



70 **Fr. 1329, 50¢ Third Issue, Spinner, Gem New, Superb.** A rare note in all grades. I have never seen one near this nice. Four huge margins, perfect centering face and back, bright bronze and paper, bold dark Allison-Spinner signatures and deep original embossing. As fine as could exist. If you want this note, the price should not concern you, no one will ever own a better example. (1200-up)



71 **Fr. 1330, 50¢ Third Issue, Spinner, Gem New.** A superb example of this rare note. Unlike other rare Fractional notes, this one does come nice. A few other Gems are known out of the population of about 30 total pieces. This one has even margins, perfect back centering, strong color with no paper aging and great deep signatures. (4500-up)

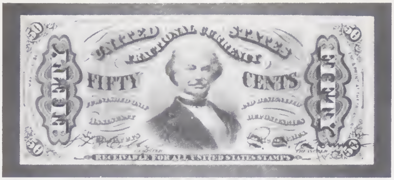
72 **Red Back Spinners**. Three nice circulated notes. Fr. 1324, **Very Fine** with huge margins, Fr. 1324 **Extra Fine**, and Fr. 1328 **About New** with a tape repaired corner. (3 pieces) (150-up)

73 **Fr. 1331, 50¢ Third Issue, Spinner, Choice New.** Perfect color and bright bronze. Tight at the top. (75-up)

74 **Fr. 1332, 50¢ Third Issue, Choice New.** The scarce "1" and "a" type I green back Spinner. Three large margins, tight at the right. The paper is a bit toned down. (200-up)

75 **Fr. 1332, 50¢ Third Issue, Spinner, About New.** Well margined but somewhat aged. Still, this is the "1" and "a" variety and well worth a bid. (125-up)

76 **Fr. 1335, 50¢ Third Issue, Spinner, Choice New.** This number is from the scarcest group of Spinner notes. Nice bronze and deep original embossing as sometimes seen on these third issue fifty cent notes. (250-up)



77 **Fr. 1336, 50¢ Third Issue, Spinner, Choice New.** By far the rarest of the regularly issued Spinner notes. This wonderful example has three full face margins with the left margin tighter than the others but well clear of the design. The bright green back just touches the left edge. The large top face margin has a minor ink smear. In new condition, we know of only 3 others, none of which are clearly superior to this one. (1500-up)

78 **Fr. 1338, 50¢ Spinner, Extra Fine.** Scarce in all grades, this nice XF is worth a strong bid. (100-up)

79 **Fr. 1339-SP, Wide Margin, Choice New.** One of less than a dozen known, this wide margin example of a Type II Spinner back is printed on thin India paper without "specimen" or the bronze overprint, all known examples are the same in this regard. Paper quality is excellent and the original embossing is clear and deep. The new owner will be proud of this one. (4000-up)

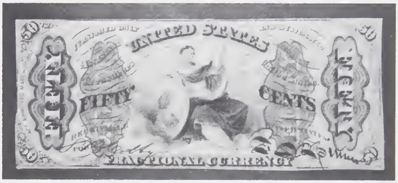
80 **Fr. 1339-SP 50¢ Third Issue, Spinner, Type II Back.** Very rare with less than 15 known specimens of this type. This example grades **About New** due to a single light corner fold. It is otherwise choice. The paper this note is printed on has large raised bumps on both sides. This is the third time I have seen this paper and always on 1339-SP backs. It was clearly this way when printed and is not damage or use related. A great note that will bring at least . . . (1200-up)

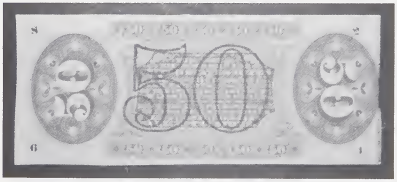
81 **Fr. 1340, 50¢ Third Issue, Spinner, Extra Fine.** This Type II Spinner is the very scarce "1" and "a" note. It's a perfect XF with bright bronze and paper. (100-up)

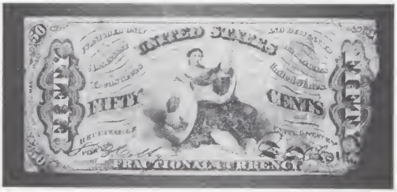
82 **Fr. 1341, 50¢ Third Issue, Spinner, Choice New.** But for a minor ink smear this lovely Type II Spinner would be a Gem. (100-up)

83 **Type II Spinners**. In our opinion this type is the key to a 24 piece type set. **Fr. 1339, About New, Fr. 1339, Very Fine,** and (4) **Fr. 1341s** two **About New** and two **Extra Fine.** (6 pieces) (275-up)

84 **Fr. 1353, 50¢ Third Issue, Justice, About New.** After cataloging the next lot, this one was consigned. It's a new piece to the market, never having passed through a sale or been known to Fractional collectors. The margins are close but acceptable. This is by far the finest of the six now known to exist. The grade of About New is given due to surface soil that suggests some use in circulation. No folds, splits or other circulation caused defects are present and the note could make a case for the grade of New. In any event, this is the Fractional highlight of the sale. (5000-up)







85 **Fr. 1353, 50¢ Third Issue, Justice.** One of just 6 known pieces, the intact part of the note grades **Fine.** However, most of the right margin area has chipped off and parts are gone up to 1/4" in. When I first saw this note, I thought it was the piece from Stacks Slawson sale of April 28, 1970 as that was

also badly damaged on one edge. However, Friedberg's Encyclopedia says that damage was at the left, making this a new piece. Years go by with no note of this series (Fr. 1351-1354) reaching the market. In spite of its problems, I'm sure it will bring . . . (1400-up)

86 **Fr. 1355, 50¢ Third Issue, Justice, Choice New.** A pleasing, hand signed, red back note. No signs of cracking at the signatures. (200-up)

87 **Two Nice Justice Notes.** A hand signed **Fr. 1355** and a red back **Fr. 1345**, both have some small edge stains and both are **About New**. The 1345 is aged. (2 pieces) (125-up)

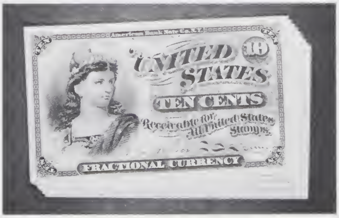
88 **Three New Hand-Signed Justice Notes.** Fr. 1355 **New**, Fr. 1355 **Choice New**, and Fr. 1356 **New**. All three notes are bright and attractive and none of the three have the often seen "cracks" at the signature. (3 pieces) (400-up)

89 **Fr. 1362, 50¢ Third Issue, Justice, New.** Bright bronze and three great margins. Were this note not cut in at the right, it would be a Gem. (125-up)

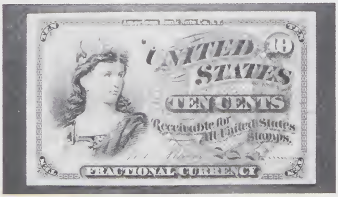
90 **Fr. 1363, 50¢ Third Issue, Justice, New.** Scarce "1" and "a" Justice. This note is near the Choice grade but is cut in just a bit too far at the left. (250-up)

91 **Four Different Justice Notes.** Fr. 1355 **New**, Fr. 1362 **Choice About New**, Fr. 1361 **About New** and Fr. 1360 **New**. (4 pieces) (350-up)

## FOURTH ISSUE

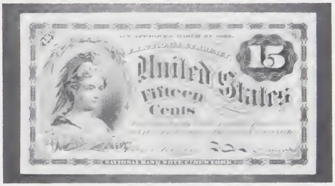


92 **Fr. 1258, 10¢ Fourth Issue Group of Nine.** Although Fourth Issue notes are never seen in this form, this is clearly an original group. The edges square perfectly in both directions and the paper tone is identical throughout. Grades range from **Choice to Gem** based on individual centering. An unusual item worth a premium bid. (9 pieces) (600-up)



93 **Fr. 1259, 10¢ Fourth Issue, Superb Gem New.** An incredible looking note highlighted by an extremely dark-blue tint at the right. (100-up)

94 **Four Different 10¢ Fourth Issue Notes.** Fr. 1257 **Choice New**, Fr. 1258 **New**, Fr. 1259 **New** and Fr. 1261 **Choice New** An attractive little set. (4 pieces) (100-up)



95 **Fr. 1267, 15¢ Fourth Issue, Superb Gem New.** Unbelievably large margins on all four sides. Perfectly centered face and back. This note has a presentation piece look about it and must be one of the finest quality Fractional Notes in existence. (500-up)

96 **Fr. 1271, 15¢ Fourth Issue, Choice New.** Three huge margins, a bit close at the left, otherwise Gem. (70-up)

97 **Fr. 1301, 25¢ Fourth Issue, Gem New.** This 25¢ Washington is one of the most elusive of the 24 types to find this nice. (125-up)

98 **Fr. 1379, 50¢ Fourth Issue, Gem New Superb.** All there in every way including four boardwalk margins larger than those ever seen on this issue. (150-up)

99 **Three New Dexters.** Fr. 1379, three pieces of this 50¢ Fourth Issue note, all grade **New**. Two are near choice and one is lightly aged. (3 pieces) (150-up)

100 **Fourth Issue 50¢ Assortment.** (3) Fr. 1376 Stantons, **VG, F and VF**. Fr. 1374 Lincoln, **XF** and (4) Fr. 1379 Dexters, **F, VF**, and (2) **About New**. (8 pieces) (150-up)

101 **Fourth Issue 50¢, 3, 3 and 3.** Three of each of **Fr. 1374** Lincoln, **Fine, Very Fine**, corner off, and **About New. Fr. 1376** Stanton, all three **Extra Fine** and Fr. 1379 Dexter, **Extra Fine, Extra Fine** and **About New**. (9 pieces) (250-up)

102 **Two Fourth Issue Notes.** A Lincoln 50¢ **Fr. 1374 About New** and a 15¢ **Fr. 1271 Choice New**. Two popular designs. (2 pieces) (150-up)

103 **Two Choice Notes.** A Stanton Fr. 1376 50¢ and a Crawford Fr. 1381 50¢. Both are **Choice New**. (2 pieces) (90-up)

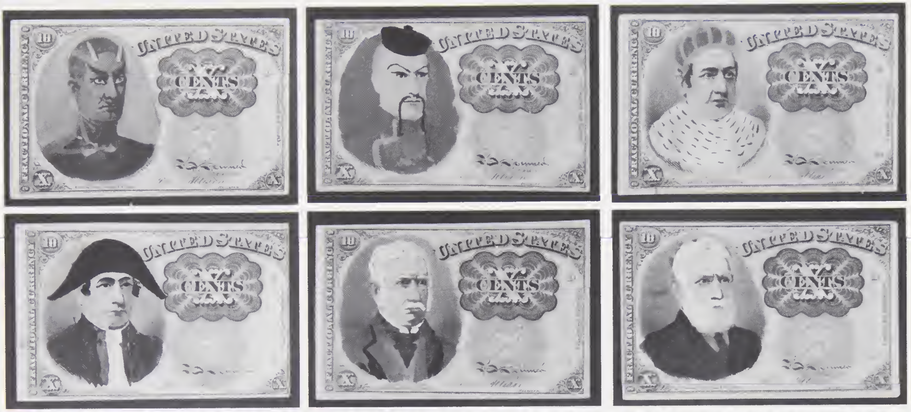
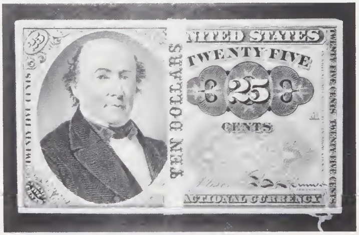
# FIFTH ISSUE

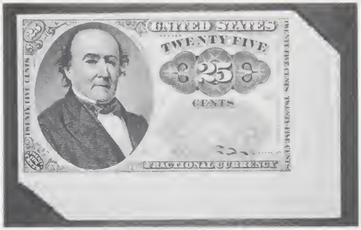


104 **124 Fractional Satiricals.** This group had resided in Father Flanagan's Boys Town in Nebraska for decades This is the first time they have been offered publicly. All are done in bright bold watercolor by an expert hand and all are the product of the same unknown artist. Satirical drawings on poor William Merediths portrait began to appear shortly after the first fifth issue notes reached circulation in the mid 1870's. They are sometimes referred to as "jail house" notes on the basis of the folk legend that "they were all made by an old man in jail." In truth, they were made by hundreds of different people whose skill ranged from simple doodling of a moustache or eye patch to skillful alteration of the original engraving. These currency equivalents to the "Hobo Nickel" have always been a source of amusement to Fractional collectors and a desirable addition to their holdings. The present group, based on content, style and length of stay in Boys Town was apparently done in the 1920's. The skill and humor of this particular individual have raised these charming little notes to the level of folk art. Many of these portraits represent occupations, race, social level and nationality. A few picture actual people such as Buffalo Bill, William Penn, John Quincy Adams, the artist himself, and oddly Moritz Wormser, former ANA president and father of the late Charles Wormser who for decades headed the New Netherlands Coin Company. All are with the original labels they were displayed with in Boys Town. A wonderful and charming example of 20th century folk art, which we hope the new owner keeps intact. Included with the group are two 10¢ fifth issue notes with no artwork. (126 pieces) (5500-up)

105 **Fr. 1265, 10¢ Fifth Issue, Choice Group of 15.** A great run of scarcer long key notes. These are clearly from the same original pack as they square up perfectly. All the notes are clean and bright and all grade at least **Choice New**, several are full Gems. These long key notes are at least 10 times scarcer than the short key (Fr. 1266) variety. We cannot recall ever seeing a nicer group. (15 pieces) (350-up)



106 **Fr. 1309, 25¢ Fifth Issue, Original Pack of 40.** A super bundle of Walker notes. The original band is on the pack and each note is held together by a needle hole in the lower right corner and a knotted piece of strong thread. These notes often come with this hole, but this is the first time we have handled a pack which was still tied. To our way of thinking, since these packs are never broken and sold as individual notes anyway, the bundle is more desirable in this form. Most all the notes are well centered and most would grade Gem but for the needle hole. (40 pieces) (1000-up)



107 **Partial Walker Bundle.** Fr. 1309, 25¢ Fifth Issue Group of 23 notes. These appear to be part of an original pack as all square up nicely and all share the same needled hole in the upper right hand corner. All grade at least New and many would be Choice but for the needle hole. (23 pieces) (250-up)

108 **Fr. 1381, Original Pack.** Twenty notes with the original band. A clean attractive pack without the needle hole that these groups often have. Individual notes range from **New to Gem New** based on centering with the majority grading **Choice New**. Seldom offered and a wonderful item. (1200-up)

109 **Fr. 1381, 50¢ Fifth Issue, Pink Face.** This **Choice New** note is as pink as any I've ever seen. I don't like to catalog these as a separate variety, as the pink was not intended by the Bureau. It is the result of the seal plate ink combining with the sizing compound. Nonetheless, this one is pink and if you want one, here it is. (125-up)

110 **Gem Fifth Issue Type Set.** 10¢ Fr. 1266, 25¢ Fr. 1309 and 50¢ Fr. 1381. As common as these notes may be, it is not easy to find Gems. (3 pieces) (75-up)

111 **Mixed Fifth Issue Notes.** Fr. 1264 **Fine**, 1264 **Abt. New**, 1308 **New**, 1308 **Abt. New**, 1309 **Abt. New**, 1309 **Abt. New**, 1381 **XF**, and 1381 **VF**. (9 pieces) (100-up)

112 **15 Fifth Issue 25¢ Notes.** (8) Fr. 1308's six **New** and two **Abt. New**, and (7) 1309's four **New**, two **Abt. New**, one **XF**. (15 pieces) (175-up)

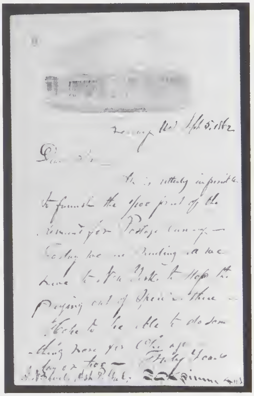
## REMINDER

**A 10% buyers' fee will be added to all successful bids.**

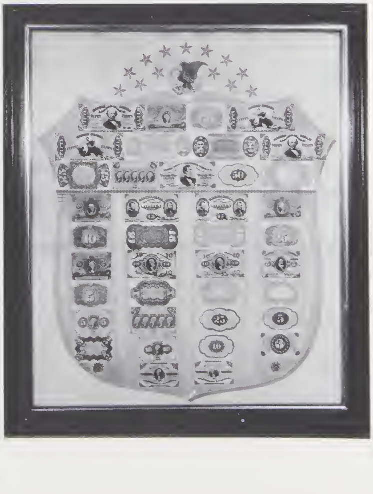
113 **25 Fifth Issue Notes.** A good dealer's lot. (8) 10¢ notes, two of which are long key, (14) 25¢ notes, two of which are long key and (3) 50¢ notes. Grades vary, but average better than **Very Fine**. Only 3 notes are stained or damaged. (25 pieces) (125-up)

114 **Five New 5th Issue Notes.** 50¢ Fr. 1381, (3) 25¢ Fr. 1309 and a 25¢ Fr. 1308. All are New or a bit better. (5 pieces) (80-up)

## MISCELLANEOUS FRACTIONAL



115 **Important Spinner Letter.** A letter on Treasury stationery in Spinner's hand dated Sept. 5, 1862.
"Dear Sir:
It is utterly impossible to furnish the 1/100 part of the demand for postage currency — today we are sending all we have to New York to stop the paying out of specie there — hope to be able to do something more for Chicago in a day or two — Truly yours, F.E. Spinner"
This has got to be the best Fractional Currency Spinner letter around. Sure to bring (300-up)



116 **Fractional Currency Shield.** An outstanding gray background Fractional Currency Shield. Apparently not from the warehouse lot as it has no trace of the usually seen waterstains at the bottom. Beautifully colorful with all notes clean and attractive. Only the back of the 25¢ Second Issue Note has lost some of its original color as is always the case with this note. The bronze is bright on all the notes and the overall eye appeal is tremendous. The hardwood frame and its glass date to the period of issue. The frame is backed by three wood planks. Over the past thirty years we have personally examined several hundred shields; for condition and appearance, this one is safely in the top ten. (4,000-up)

117 **Fractional Shields Shipped.** A Treasury Department Cash Division Form for Adams Express Shipments showing two shields shipped to Mason & Co. (coin dealer) on March 16, 1871. Signed by Spinner (signature printed on form), framed and ready to hang next to your shield. (200-up)

118 **Fractional Currency Label.** The end label from a Fractional Currency Brick of 8,000 five cent notes. Printed on CSA paper (see lot #63), this wonderful association item is unique to my knowledge. Printed in bright red with a few folds and one short split, this would dress up any fractional exhibit. Impossible to estimate.

119 **Complete 24 Piece Type Set.** A nice high grade set with most notes **About New** and **New**. The lowest grade is **Extra Fine** and none of the notes are flawed or damaged. Centering is a bit above what you would expect. Put together with some care this set should bring . . . (24 pieces) (800-up)

120 **Complete 24 Piece Fractional Type Set.** All the notes grade at least **New**; over half are **Choice New** and a few are **Gem**. A carefully assembled set which would not be easy to duplicate. (24 pieces) (1,600-up)

121 **Fiber Paper Notes.** 5¢, **Fr. 1235, Very Fine** with a few small holes. 25¢, **Fr. 1289, Very Good**, two small tears and 25¢, **Fr. 1290**, a solid **Fine**. All are very scarce. (3 pieces) (100-up)

A nice group missing only three notes to be a complete type set. (21 pieces) (400-up)

124 **9+1.** Nine Fourth Issue Notes (4) 10¢ average **Fine** and (5) 25¢ average **Extra Fine** (one stained), also a CSA 50¢ 1863 note in **XF**. (10 pieces) (100-up)

Highlights are **Fr. 1230 XF, Fr. 1317 XF, Fr. 1333 XF, Fr. 1374** Lincoln, nice **VF**, the other notes average **VF** but for the 15¢ which has two corners off. (22 pieces) (300-up)

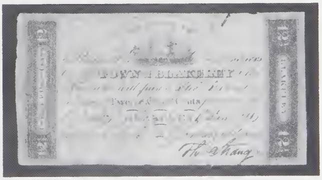
# OBSOLETE CURRENCY

## ALABAMA



140 **Blakeley - The Town of Blakeley** 12 1/2¢ Jan. 1, 1821 Rosene-UNL

Unique to our best knowledge, this note may be the sole numismatic remnant of this once thriving metropolis. Blakeley, located on the Tensaw River across the bay from Mobile, had a short but turbulent history. Named for New England native Josiah Blakeley, its driving force was one Cyrus Sibley, whom Blakeley met whilst serving in his official capacity as U.S. Consul in Santiago de Cuba. Sibley, then imprisoned by the Spanish at the Moro Castle prison in Havana for his unsuccessful plot to free Mobile from Spanish rule and turn it into American territory, prevailed upon Blakeley to secure his release while assuring him that both would become rich in the certain to become American Mobile Bay area. Blakeley then purchased some land on the Tensaw River, and, with Sibley as his chief promoter and sales agent, commenced to build. The venture, publicized heavily in depressed New England, was an immediate success, made even sweeter when the Spanish were sent packing from Mobile in 1819. By the early 1820's, when this note was issued, Blakeley was a boom town threatening Mobile for dominance as a major port. Within ten years, however, Blakeley would become a virtual ghost town. Three yellow fever epidemics in nine years and soaring real estate prices convinced many that the future lay across the Bay in Mobile. When the sand bar that had long impeded traffic to the port of Mobile was removed by the newly formed Army Corps of Engineers in 1829-30, it spelled the end of Blakeley's dream of becoming a major port. By the turn of the century, Blakeley had reverted to little more than a clearing in the trees.

This wonderful note, signed by Cyrus Sibley as President of the Town Council, will surely be the highlight of any collection of Alabama material it enters. **Fine.** (1000-2000)

141 **Bluff Spring - M. & R.S. Street** 50¢ July 4, 1862

A rare and unusual note which is very likely unique. This enterprising merchant simply appropriated the scrip of a compatriot some distance away in Georgia, placed a line through the former name, location, and date, and became an instant player in the exchange business without the bothersome formalities of visiting a printer and designing one's own notes. No examples from either this location in Alabama or this issuer have been reported to date. **Fine.** (300-500)

142 **Coloma - Jas. H. Savage** 50¢ September 15, 1862

Unlisted issuer in Rosene. **Good**, with a repaired corner, and rare. (175-300)

143 **Montgomery - Alabama Savings Bank** $2.00 January 1, 1873 Rosene 229-2

Extraordinarily high grade example of this scarce and popular note. **About Uncirculated.** (200-400)

144 **Tuscaloosa - The City of Tuscaloosa** 5¢ Feb. 16, 1862 Rosene 323-1

A very scarce issue. **Very Good+.** (100-200)

380 **Erwin - Erwin National Bank** $1.00 March 10, 1933 TN240-1

One of the most exciting pieces of Depression scrip we've seen. Rare and unpriced in the Mitchell and Shafer reference, and the only note of its kind we've seen for sale. **Very Fine**. (100-150)

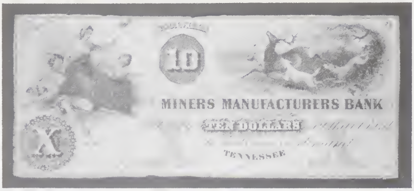
BANK OF TENNESSEE
50
FIFTY CENTS

381 **Jackson - Robt. Mentor** 50¢ April 18, 1862 per Bank of Tennessee Branch at Trenton Garland-UNL

Unlisted in Garland's excellent Tennessee opus, in which he states "only two dollar denominations are known." This is possibly the discovery note for any other denomination. Note also the inverted "n" in Jackson at LL. Hard to estimate, but if this is as rare as we suspect, it could go into the middle three figure range. **Extremely Fine**. (350-700)



382 **Knoxville - The Miners & Manufacturers Bank** $10.00 Jany. 10, 1855 G8a Garland 466

An exceptionally rare note listed in Garland as an R-14 on a 1-15 scale (2-4 known). **About Fine.** (200-300)

383 **Memphis - The Memphis Savings Institution** $2.00 August 6, 1852 Garland 727

Scarcest denomination by far from this bank. **Very Good**, with a minor short tear and a chink out of the LR margin. (125-175)

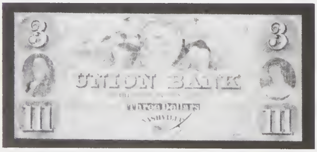
384 **Nashville - The City Bank** $5.00 Nov. 1, 1855 G4c Garland 933

**The Merchants Bank** $5.00 Nov. 1, 1855 G6a Garland 948

Two better Tennessee notes, the latter really scarce. The first **Fine**, the second backed with a thin strip on three sides and grading **Good+**. (2 pcs.) (140-225)

385 **Nashville - Nashville Banking & Exchange House** $2.00 Jan. 1, 1830 Garland 1087

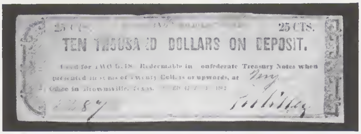
A rare note rated as an R-14 in Garland. **Good-Very Good**, with a couple of tiny paper pulls and some margin roughness at the top and bottom. (150-300)



386 **Nashville - The Union Bank** $3.00 January 2, 1843 G6 SENC Garland 1027

An excessively rare note as Haxby lists no known specimens for Nashville or any branch of the bank. We are listing this as a Nashville note because we can find no evidence that any branch designation was ever filled in. **Very Good-Fine**, hinge reinforced on the reverse, certain to see spirited competition among the many collectors of this states' notes. (250-400)

## TEXAS



387 **Brownsville - Rio Grande Soldiers' Fund** 25¢ April 21, 1862 Medlar 10

388 **Caldwell - Burleson County Script** (sic) $2.00 Nov. 7, 1862 Medlar 3

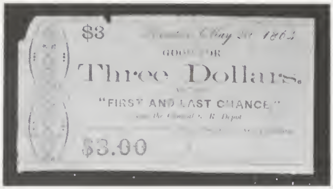
389 **Galveston - First NB of Burgess' Business College** $2.00 Jan. 1, 1875

Lower denomination issues are known from here, but we have not seen or heard of another example of this denomination. **Fine**, with some easily repairable tears and splits, but an exciting item likely to bring a very strong price. (200-400)

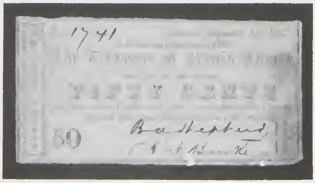


390 **Houston - First and Last Chance Saloon** $3.00 May 20, 1864

Unlisted for this denomination in Medlar. A $1.00 note from here in virtually the same grade sold for $575 in the 1989 PCDA sale. This super note should bring that or more. **Fine**, tiny corner off. (500-750)

391 **Houston - The Government of Texas** $5.00 April 1, 1838 Medlar H16

A celebrated note with a great vignette of an indian shooting a buffalo. **Fine, CC**, with a small tear at Houston's signature. (100-175)



392 **Houston - Treasurer of Harris County** 50¢ Sept. 1, 1862 Medlar 97

393 **Huntsville - Walker County** $1.00 May 20, 1862 Medlar-UNL

THE NEW ENGLAND BANK NOTE COMPANY.

**431 Advertising Broadside and Price List from Rawdon, Wright, Hatch, and Edson**

A lovely example of this very scarce four page (two printed) advertising brochure. Circa July, 1853, this is a beautiful testimony to the engraver's art, along with a fascinating look at the cost of producing bank notes. (400-800)

**431A American Bank Note Company**

An 1869 hard cover promotional book produced by ABNCo to extol its own virtues. The same eight page summary of the history and glorious abilities of the company is repeated three times. First in French, then in German, and finally in English. The book contains four high quality plates showing work being done as well as two color plates of simulated bank notes. The book is in pristine condition appearing perfectly new. The jet black cover is without a scuff, and the ornate gold leaf is perfect. (1000-up)

**432 Complete Set of Naramore Cards**

Full seventeen piece set of Naramore card photos taken from proof impressions of Legal Tender notes ($1.00-$1000.00) and National Bank Notes ($1.00-$1000.00), plus one additional $1000.00 Legal. These "souvenirs" were quickly banned by the government soon after their issue in 1866. A very nice, and scarce, set. (18 pcs.) (350-500)

**433 Set of four National Bank Note Dividend Checks**

A very rare item which we have not seen offered previously. These four checks are dividends sent to creditors of failed national banks. In this case, the failed bank, The Woods NB of San Antonio, entered receivership in late 1907. As one can see from these four checks drawn over a three year period, the recovery of only 57¢ was hardly substantial. All four checks are uncashed and unendorsed. A most interesting group. (50-100)

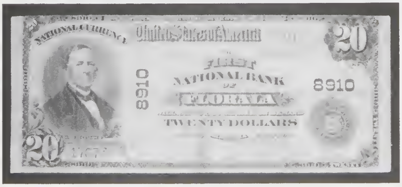
# NATIONAL BANK NOTES

## ALABAMA

435 **Enterprise -** $10.00 1902 Fr. 624 **The First NB** Ch. # (S)6319

This is a very scarce bank, which should not be confused with the far more common high charter bank in this town. The Eggiman collection of Alabama notes auctioned last year did not even have one specimen on this bank. **Very Good.** (200-300)



436 **Florala -** $20.00 1902 Fr. 652 **The First NB** Ch. # 8910

A very scarce note from a small town located, not surprisingly, on the Alabama-Florida border. **Very Good+**, a bit soiled but the red signatures are strong. (250-400)

437 **Headland -** $5.00 1902 Fr. 598 **The First NB** Ch. # 7424

A tougher Alabama town, especially in large size. **Very Good-Fine.** (150-250)

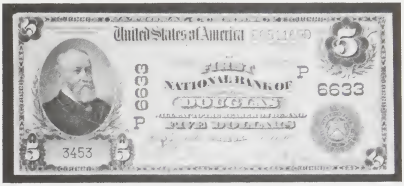
438 **Monroeville -** $10.00 Ty. 2 **The First NB** Ch. # 12642

A very scarce town which has not been publicly offered since a listing on a fixed price list back in 1973. **Very Good-Fine**, a bit of soil on the reverse. (175-300)

439 **Opp -** $10.00 1902 Fr. 625 **The First NB** Ch. # 7985

A very popular three letter city name, and a very tough note to find in large size. **Fine.** (150-250)

## ARIZONA



440 **Douglas -** $5.00 1902 Fr. 602 **The First NB** Ch. # (P)6633

A rare and exciting note from a bank which has been unavailable for many years. This is by far the highest grade of the six known examples from this bank, which issued large notes only despite surviving through to 1935. **Fine+**, with strong violet signatures, a new bank and town for some lucky collector. (1750-2750)

441 **Phoenix -** $20.00 Ty. 1 **First NB of Arizona** Ch. #3728

Never enough notes to go around from this elusive state. **Very Good.** (125-175)

442 **Winslow -** $20.00 Ty. 1 **The First NB** Ch. # 12581

A good note from a state where good notes are awfully hard to find. Nice **Fine.** (200-300)

443 **Yuma -** $10.00 1902 Fr. 628 **The First NB** Ch. # (P)7591

A classic rarity in the National Bank Note field. Only five notes are known from this bank, and all, save this specimen, have been impounded in collections for over a decade. In fact, the last public offering of a note from this bank was on a 1974 fixed price list. It merely goes to prove the truth of the old adage that the opportunity to buy the note may be, in some cases, rarer than the note itself. **About Fine**, pen signed. (1250-1750)

## ARKANSAS

444 **Gurdon** - $5.00 Ty. 1 **The First NB** Ch. #13210

Only denomination issued by this scarce bank. **Very Good+.** (125-175)

445 **Newport** - $20.00 1902 Fr. 650 **The First NB** Ch. # (S)6758

One of the few Arkansas banks to ever turn up in this state of preservation. Well centered **Choice Crisp Uncirculated.** (225-350)

446 **Texarkana** - $10.00 Ty. 1 **The State NB** Ch. # 7138

An always popular town. **Fine.** (40-60)

447 **Campbell** - $5.00 1902 Fr. 607 **The Growers NB** Ch. # (P)11572

A great note which has had only one offering in the last thirty years. The Krakover note, grading Fine-Very Fine, fetched $775. This example, grading **Very Good-Fine** with strong black signatures, will likely see bidding in the range of . . . (500-750)

Covina

Twenty Dollars

448 Covina - $20.00 Ty. 1 **The First NB** Ch. # 5830

A very rare note, made even more scarce by the fact that the leading collector of California notes lives here and has over the years acquired virtually every note known on the town. Indeed, we have no public offering of any note on this bank recorded over the last four decades, nor in fact have we ever seen a note from here change hands at all. This may well be the sole opportunity to own a Covina note for the entire decade of the 1990's. We should also note that this is the only $20.00 small note known on the bank. Nice **Fine.** Any estimate on this lot is purely a guess, but it is surely worth . . . (450-900)

449 **Los Angeles** - $20.00 1902 Fr. 659 **Los Angeles - First NT & SB** Ch. # 2491

Second and by far the scarcer of the two titles used on large notes by this bank. Of the eight twenties reported to date only two are higher grade. **Fine+.** (75-100)

Six of these have been reported to date, with the Krakover specimen, an EF, bringing $525. This example grades a nice **Very Fine**, with bold signatures, and should be worth almost as much. (350-500)

451 **Los Angeles** - $20.00 1902 Date Back Fr. 643 **The Merchants NB** Ch. # (P)3538

One of only two $20.00 date backs reported to date. The other, grading Extremely Fine, brought $450 in the Krakover sale earlier this year. This example grades **Fine-Very Fine**, with close trim at the top and bottom, but with sharp purple signatures. (175-250)

454 **San Francisco -** $5.00 National Gold Bank Note Fr. 1136 **The First National Gold Bank** Ch. # 1741

A well circulated but attractive National Gold Bank Note. Intact **Good-Very Good**, with decent color and margins and a coin vignette that is actually better than normal for the grade. It will fit well into any set of circulated notes, and, most important for a note of this type, it is a specimen for which you will not have to apologize. (450-700)

455 **San Francisco -** $5.00 National Gold Bank Note Fr. 1136 **The First National Gold Bank** Ch. # 1741

A very typical example of this popular issue. Good with a few small tape repairs, with the all important central coin vignette unimpaired. (300-500)

456 **San Francisco -** $20.00 1902 Fr. 658 **Wells Fargo Nevada** NB Ch. # (P) 5105

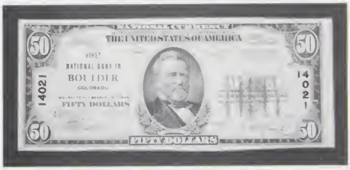
## COLORADO



THE UNITED STATES OF AMERICA
FIRST NATIONAL BANK IN BOULDER COLORADO
14021
FIFTY DOLLARS

460 **Boulder -** $50.00 Ty. 2 **First NB** Ch. #14021

This is truly a note with everything going for it. It is high grade, with a low serial number, from an excessively rare bank which issued a grand total of only 304 notes, and from a state in which every active collector lacks an example from the bank. It is also, for good measure, a $50.00 Type 2, a type which, in this grade, would be a major rarity even if it were issued by the most common bank in the country. **Crisp Uncirculated,** with a repaired margin tear that does not go into the design but is present nevertheless. We would not be at all surprised to see spirited competition in the range of . . . (1500-2500)

461 **Colorado Springs -** $10.00 Ty. 1 **The City NB** Ch. # 6238

462 **Gunnison** - $20.00 1902 Fr. 650 **The First NB** Ch. # 2686

A great Colorado note which is unique to our best knowledge. Only a small number of notes were issued by the bank before it closed in 1927 and no others have come to light until now. **Very Good**, a couple of tiny pieces out of the top margin, but still a most collectible note, with clear pen signatures. Well centered **Choice Crisp Uncirculated**, with a tiny corner tip fold mentioned only for the sake of accuracy, and beautifully pen signed by H.K. Holloway and D.P. Jones, V.P. 471 **Putnam** - $5.00 1882 Fr. 466 **The First NB** Ch. # 448

A blockbuster of a note if ever there was one. It is unique to our best knowledge, and likely to remain so, as this bank issued Red Seals only for less than three years before liquidating in 1908. Considering the tiny number of notes issued from here some eighty years ago, its appearance today represents a true miracle of survival. It also opens the possibility of completion of a set of repeating numeral charters, such as 1111, 2222, etc., as all are known to exist through charter 11111 now that this note has surfaced. 566 **Spirit Lake** - $10.00 1902 Fr. 628 **The First NB** Ch. # (M)4758

A perfect example of a note which is not "rare" in terms of the number of specimens known but has only appeared twice since 1946 on a price list or at auction using a data base of some 80,000 individual entries. The fact is that many of the known examples from here are closely held in an institutional collection and are most unlikely to be available for purchase at any time in the near future. That being the case, simply calling this note a "Rarity 4" is of little help to the individual seeking to own such an item when the note itself has an availability rating of "6" over a forty year period. It seems to us that the real value of any note should be (and is) far more closely tied to the actual availability of same than to the mere physical existence of the item, even if tacked up on a bank wall or in a museum or foundation holding. **Fine**, a bit stained, but still an attractive item. ## ERROR NOTES

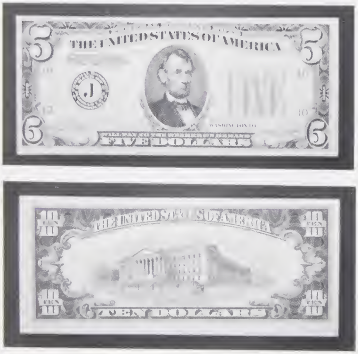
985 **Fr. 91 $5.00 1907 Legal Tender. Very Fine. Error Note.**

An extremely scarce major error in printing on a large size note. The black lettering is missing, as this part of the note was apparently covered with some scrap as the printing process commenced. The red serial number was overprinted after the error occurred. Most interesting and rare . . . (400-700)

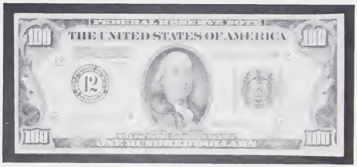


986 **Double Denomination $5.00/$10.00 Gem Crisp Uncirculated**

A very rare double denomination with a $5.00 obverse and $10.00 reverse. Series Of 1934-D Kansas City. (4500-6500)

987 **Incredible Bureau Error**

Third printing on what appears to be a sizing sheet, used by the Bureau to separate stacks of sheets as they are printed. Unquestionably genuine, and unquestionably excessively rare, with only one other similar note known to exist. **Uncirculated.** (1500-3500)



988 **Fr. 2150*-L $100.00 1928 Federal Reserve Note Inverted Star Error. Choice Crisp Uncirculated.**

989 **Fr. 1617* $1.00 1935-G W/M Star Error. Gem Crisp Uncirculated.**

1010 **Fr. 1979-A $5.00 1988 Federal Reserve Note Error**

An interesting multi-gutter fold printing with the end piece of the note severing along the last fold. (50-100)

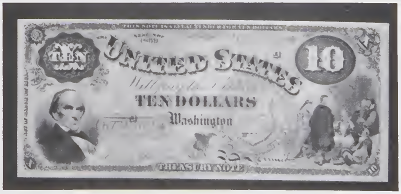
1090 **Fr. 95b, $10 1863, Extra Fine-About New.** Great color and good margins. These early notes have a lot of charm, especially when they are as bright and pretty as this one. (500-up)



1091 **Fr. 96, $10 1869, Gem New.** Boardwalk margins and near perfect centering. On this type the back design is higher than the hight between the outer frame lines of the face. As a result, part of the back design is almost always cut. This note is a pleasant exception as the whole back "cogwheel" is clear of the margins. This is a great example of the type and is well worth going after whatever it takes. (2000-up)

1092 **Fr. 96, $10 1869, About New.** The face is centered high with the top margin touching the design. The back, which is usually the problem side on this type, is perfectly centered. (500-up)

The paper quality is snappy and completely original, with just a touch of handling here and there. This is by far the finest 1862 or 3 twenty I've ever seen. ## MAGNIFICENT TRIPLE SIGNATURE NOTE

1252 **Fr. 285, $10 1878, Choice New.** Autographed countersignature of A.U. Wyman. Payable at Washington. Deep blue tint paper, bold red seal and "ten," sharply and clearly inked. The condition and appearance are breathtaking. This early Silver Certificate, originally from Mayflower's 11/10/1956 sale, was sold along with the only other Fr. 285 known to exist. The other note, Serial #51, is in similar condition and has resided in a private collection for some time. Of all countersigned notes, from all series and denominations, only these two are even close to this top grade. The only defects are a few tiny pinholes and some minor areas of light age where the print is heavy on the opposite side. After its 1956 sale this note was off the market until Stack's fixed price list of two years ago, where it was offered at $47,500. As so often happens with an item of this rarity, the new owner is placing it back on the market after a relatively short time. This note deserves to be in the finest of long term collections. It's a standout in the company of any ultra rare currency and will be the showpiece of any collection it enters. (45,000-up)

1255 **Fr. 289, $10 1880, Choice New.** This lovely Silver Certificate has quite a history. It was the Limpert Plate Note, later part of the Tom Bain collection and most recently sold in Stacks 1989 Fixed Price List. This note is part of a small group broken up decades ago, but is far nicer than most of the others we've seen. Near the Gem class. (2500-up)

1265 **Fr. 303, $10 1908 Silver, Star, Very Good-Fine.** An amazing new discovery, which by all accounts should not exist. It is unlisted in Doug Murray's standard reference on large size Star Notes, in which Murray states "Certain signature combinations by type appear to qualify for Star Notes, but in reality none were produced. For instance, the $20 USN Series 1880 Vernon-McClung (Fr. 145) and the $10 SC Series 1908 Vernon-McClung (Fr. 303) printings occurred in FY [Fiscal Year] 1910 (July 1, 1909 to June 30, 1910). However, these printings preceded the first Star Notes produced." In fact the Murray reference does not even list the Vernon-McClung $10 Silver Certificate as a possible Star signature combination. Seldom does a note appear which causes the standard reference guides to be rewritten. Even less often is this item a prohibitively rare type as well, because in this instance only one other Star $10 Silver Certificate was known to previously exist. That note has been part of a well known collection since its discovery a decade ago and will likely never be offered for sale. The unique Fr. 303 Star being offered here is an evenly circulated Very Good-Fine. It is a fantastic note sure to create considerable excitement among the Star Note collecting fraternity, and certain to be displayed with pride by its new owner for years to come. (3500-up)

## FEDERAL RESERVE NOTES

1351 **Three Red Seal Feds.** All of the red seals are scarce. This group consists of **Fr. 839a, $5 St. Louis, Very Fine. Fr. 893a $10 New York, Very Fine** and a nice **$20 San Francisco, Fr. 963, Extra Fine.** (3 pieces) (200-up)

1352 **Three $5 Star Notes.** All are Federal Reserve Notes. **Fr. 850, Fine**, one of 5 known. **Fr. 851a, Very Good** and **Fr. 871a, Fine.** (3 pieces) (100-up)

1353 **Seven $5 Feds.** Grades from Very Fine to Extra Fine Plus. All are clean looking. Fr. #s 851, 868, 874, 876, 877, 877 and 881. All are series of 1914 blue seals. (7 pieces) (125-up)

1354 **"a" "b" "c."** Three White-Mellon signature Federal Reserve Notes, Series 1914, one each of the a, b and c types that seem to cause constant confusion. Buy this lot, carry it with you at all times and never be confused again. Fr. 859a, $5, Richmond, About New. Fr. 931b, $10 Chicago, Extra Fine and Fr. 855c, $5 Philadelphia, Extra Fine. (3 pieces) (175-up)

1355 **Denomination Set of Feds.** All are series of 1914. **Fr. 869, $5 Chicago, About New. Fr. 935, $10 St. Louis, Extra Fine. Fr. 990, $20 Chicago, Extra Fine. Fr. 1031b, $50 New York, Very Fine.** Type "b" $50s are scarce, and **Fr. 1110, $100 Chicago, Fine +.** (5 pieces) (275-up)

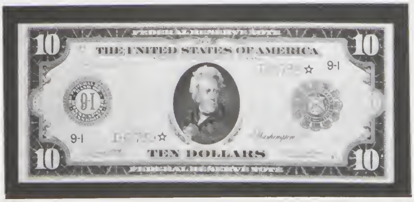
1356 **Chicago Feds.** Five **Choice New** $5 notes, all are **Fr. 870** Federal Reserve Notes and four are from the same original pack. (5 pieces) (300-up)

1357 **Fr. 871b, $5 1914, Chicago, Choice New.** Tight at the top. These "b" notes are not seen often. (75-up)

1358 **Fr. 887a, $5 1914, Star Note, Fine+.** Murray lists only a single note known on this district. This makes two! The present note is a full grade higher than the one Murray lists. (150-up)

1359 **Three Federal Reserve Star Notes.** The first, **$10 Fr. 911a,** New York is **Very Good**, the second, **$10 Fr. 931a,** Chicago, is just **Good** and the final note, **$20 Fr. 990,** Chicago is a solid **Fine.** (3 pieces) (125-up)

1360 **Fr. 931a, $10 1914, Star, Extra Fine.** A nice Star Note with a clean look. (60-up)



1361 **Fr. 939, $10 1914, Federal Reserve Note, Star. Choice About New.** This serial number is not in the Murray book, and brings the total known to 3 for this Fr. #. Fully bright, well centered and nice looking. (200-up)

1362 **Fr. 1006 and Fr. 1007, $20 1914, Changeover Pair.** The Fr. 1006 is Serial #K5411332A with the signatures of Burke-Houston and the Fr. 1007 is Serial #K5411333A with the White-Mellon signatures. Both notes grade **Choice New**. This is the only true large size changeover pair of Federal Reserve Notes that we have ever seen and may well be unique. Two "quasi changeovers" from type "a" White-Mellon Feds to type "b" (which involve only a change in the placement and size of the district letter-number) were in the Nasca Memphis Auction in June of 1983. The pair offered here is a true changeover, with the signatures, and therefore, the Fr. # changing. These wonderful notes are hard to estimate but I'll be safe and say . . (2 pieces) (1500-up).

1363 **Fr. 1020, $50 1914, Red Seal, Fine.** A scarce red seal from Minneapolis, with a few small stains. (125-up)

1365 **Fr. 1039a, $50 1914, Star Note, Very Good.** This is just one of four Stars listed for this district. Only 14 total $50 Fed. Stars have been located for all districts combined. This note is stained somewhat, mostly on the back. It also has a red bank stamp on the back. (250-up)

1366 **Fr. Fr. 1074, $100 1914, Red Seal, Philadelphia.** This rare red seal $100 is a nice **Very Fine**. A small fountain pen autograph on the back does not show through. (350-up)

1367 **Fr. 1104, $100 1914, Gem New.** A superb note, bright and beautiful. Heavy original embossing and bold dark printing. The back, which is often a bit weak on this issue is deep green and as sharp as can be, with an overall (heavier in some spots) green cast from a deeply inked plate. Just a super note. (800-up)

1368 **Fr. 1133, $1000 1918, Very Fine+.** Very rare Burke-Houston signature combination. This is only the third note known with these signatures from all districts combined. When the Friedberg Numbering System was started, Federal Reserve Notes of $500, $1000, $5000 and $10,000 were each assigned a single number. The denominations of $5 - $100 were assigned numbers by district and signatures. If these $1000 notes were given numbers by signatures, we would find the population broken down into a common number (Burke-Glass) with over 80 known, a scarce number (White-Mellon) with eight known and a very rare number (Burke-Houston) with only 3 known. The note here offered has a paper clip rust stain visible on both sides, which in light of its rarity, is of not much significance. A note for the advanced collector. (5000-up)

# GOLD CERTIFICATES

1369 **Fr. 1173, $10 1922, Choice New.** Good color and nice original "snap." (200-up)

1370 **Fr. 1173, $10 1922, Choice About New.** Two consecutive notes from the same sheet. Both are bright and attractive with tight bottom margins. Both share the same light hard to find fold, otherwise they are **Choice New** in every respect. (**2 pieces**) (220-up)

1371 **A Quartet of $10 Gold Certificates.** One is a series of 1907 **Fr. 1172, Extra Fine,** and the other three are all **Fr. 1173, 1922 Series,** one is **New** but with a 1/4" circular tear in the margin and two are **Extra Fine.** (4 pieces) (225-up)

1372 **A Pair of Tens.** Two $10 Gold Certificates, **Fr. 1172, 1907, Extra Fine** and **Fr. 1173, 1922,** also **Extra Fine.** Both are exceptionally bright and crisp. (2 pieces) (125-up)

1373 **Three Gold Stars.** All three grade **Fine** or a bit better. **Fr. 1173 (2) $10** and **Fr. 1187 $20.** There are less than 200 Gold Certificate Star Notes reported by Murray for all denominations combined. (3 pieces) ($150-up)

1374 **Eighty Dollars In Gold.** Three 20th century Gold Certificates. **Fr. 1173, $10 1922, Very Fine,** large serial numbers. **Fr. 1187, $20 1922, Very Good** and **$50 1913, Fr. 1199, Fine+,** a scarce note. (3 pieces) (175-up)

1377 **Fr. 1177, $20 1882, Fine.** A second example of this very tough note. This serial number has not been previously reported and its discovery raises the number of known pieces to 17. Excellent margins, centering and color. The only distraction is a small (1/4") split at the left edge. (500-up)

1378 **Circulated Gold Certificates. Fr. 1178, $20 1882, Very Good** and a **$100 1922, Fr. 1215** also **Very Good,** both a bit weak on the back. (2 pieces) (200-up)

1379 **Fr. 1180, $20 1905, Fine.** Well circulated, but with no tears, pinholes, stains or other distractions. Wonderful color for the grade. This "technicolor" twenty is one of the most popular types. (300-up)

Pleasing, no problems **Fine**, with clear signatures, a difficult note to estimate in that it is on virtually every Minnesota collectors' want list, and this may truly be one of the few opportunities ever to acquire a note from this town. Of those, only one other has been reported to exist to date, and that, along with one $100.00 Red Seal, represents the total known population of large $100.00 notes from here. ## NEBRASKA TERRITORY

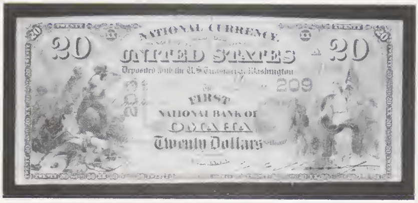
### FINEST KNOWN NEBRASKA TERRITORIAL



1527 **Omaha** - $20.00 1875 Fr. 432 **The First NB** Ch. # 209

A fantastic new discovery being offered here to the numismatic community for the first time. This note is one of six Nebraska Territory notes reported to date. It is the only $20.00 (three $2.00 and two $1.00 complete the census) and it is the highest grade of the six notes known. Nebraska territorial notes present an interesting situation because three of the six notes were issued after Nebraska became a state on March 1, 1867. As Peter Huntoon's research has disclosed, prior to 1889 already engraved territorial plates continued to be used until new Series 1882 plates were prepared to replace them. In Nebraska, that meant that the three banks chartered prior to 1867 continued to issue territorial notes until, in the case of Omaha charter 1633, 1886. In the case of this bank, only the territorial plate with the territorial designation printed in the script next to the title was used to print $20.00 and $50.00 First Charter notes, with the notes carrying a plate date of Feb. 20, 1866, a full year before statehood. **Very Good-Fine**, bright for the grade, a wonderful note certain to become a source of great pride for its new owner. (10000-15000)

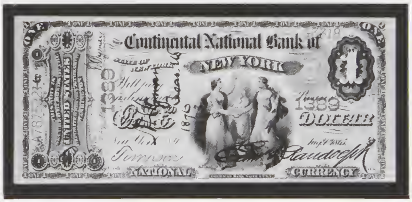
1578 **New York City** - $2.00 Original Fr. 387 **The Seventh Ward NB** Ch. # 998

An attractive **Fine-Very Fine** deuce, but a small section of the signature block has oxidized and eroded, leaving a small hole. (250-400)



1579 **New York City** - $1.00 1875 Fr. 384 **The Contintal NB** Ch. # 1389

Ex New Netherlands Coin Co. T. James Clarke sale, lot 218 (April, 1956) described therein as "**Choice Uncirculated** . . . signatures in attractive blue ink. Nicely centered, pin hole at center. Autographed A.U. Wyman/ Treas. U.S./1876/1883 vertically at left center. A superb and highly important display item." Purchased by Amon Carter, Jr., and held by him until 1971, thence to the Allen Mincho collection of New York City nationals. This is still one of the nicest first charter notes we've ever seen, with full margins and the brightness of a note that was printed yesterday. (800-1400)

One of New York City's truly rare banks, and an institution from which we were never able to obtain a note in almost fifteen years of collecting. The bank was in business for less than two years, issued Red Seals only, and had but $640 outstanding in 1915. An uncut sheet plus this single note are the sole surviving examples reported to date. The uncut sheet, owned for many years by Aubrey Beebe, now hangs in the ANA museum in Colorado Springs. This note first surfaced as Lot 256 of Kagin's 295th Mail Sale (1971) and was purchased by a California collector. It remained there until some five years ago, when the present consignor obtained it. A liberal bid is suggested to capture this great note. **Very Fine.** (500-1000)

## The Walter T. Dornfest Collection of Staten Island Nationals

For the past decade the names Walter T.Dornfest and Staten Island Nationals have been inextricably intertwined. Mr. Dornfest, a Staten Island resident and historian, did what others had only dreamed about for the last thirty years. He alone managed to complete a set of National Bank Notes from traditionally scarce Richmond County. Starting from a base established by the purchase of all of the Staten Island notes from the Allen Mincho collection of New York City notes, Mr. Dornfest's determined search led to his acquisition of the key note to the completion of his set in the mid-1980's – the purchase of the unique Richmond Borough NB of Stapleton blue seal. Along the way he also manged to obtain the only two notes extant from the hamlet of Tottenville, as well as the sole number one note known from Richmond County.

As a researcher, Mr. Dornfest published a series of articles in Paper Money magazine detailing the history of Staten Island's six banks. With the collection completed and the articles in print, Mr. Dornfest concluded that it was time to offer this outstanding group of notes to a new generation of collectors. We are proud to present them here.
